1994 SOUTH DAKOTA BALLOT QUESTIONS

Constitutional Amendment A

Title: An amendment to section 9 of Article VIII of the Constitution of the state of South Dakota, relating to the taxation of leased school and public lands.

Explanation:

The Commissioner of School and Public Lands leases state lands to individuals for agricultural purposes. The proposed amendment would allow the Legislature to pass laws requiring a person leasing lands from the Commissioner, to pay property taxes on his/her interest in the leases.

Constitutional Amendment B

Title: An amendment to section 2 of Article VII of the Constitution of the state of South Dakota, relating to the minimum age to vote.

Explanation:

The Constitution requires that a citizen be 18 years old before (s)he can vote in any election. The proposed amendment allows a 17-year-old, whose 18th birthday is on or before the November general election, to vote in all elections held that year. These other elections include primary, school district and municipal elections.

Constitutional Amendment C

Title: An amendment to section 11 of Article VIII of the Constitution of the state of South Dakota, relating to the investment of permanent educational funds.

Explanation:

The Constitution now allows the State's permanent school fund to be invested in: U.S. bonds; securities guaranteed by the U.S.; and bonds issued by our state or local governments. The proposed amendment would allow the fund to be invested in: school bonds; certificates of deposit issued by South Dakota banks; investment grade corporate stock; U.S. government guaranteed bonds; and agency securities and obligations. Up to 50% of the fund could be invested in common stock. The Legislature's authority to regulate investments would be transferred to the Commissioner of School and Public Lands.

Constitutional Amendment D

Title: An amendment to section 3 of Article III of the Constitution of the state of South Dakota, relating to the qualifications for legislative office.

Explanation:

The Constitution now requires a citizen to be 25 years old before (s)he can become a state legislator.

Constitutional Amendment E

Title: An amendment to section 25 of Article III of the Constitution of the state of South Dakota, relating to the state lottery and video games of chance.

Explanation:

The Constitution authorizes the State to own, operate and regulate a "lottery," but prohibits "games of chance." In June 1994, the Supreme Court ruled that the current video lottery system, created in 1989, is a "game of chance" rather than a "lottery".

This amendment allows the lottery system to continue operating as it did before the court decision. The amendment will discourage lawsuits against the state treasury. The amendment also prohibits expansion of private ownership, and prohibits state-wide slot machines.

Initiated Measure 1

Title: Property tax reform.

Explanation:

The initiated measure caps real property taxes at one percent of the property's assessed value. The measure freezes real property tax assessments at the January 1, 1995, level. After January 1, 1995, real property tax assessments cannot be raised or lowered unless the property changes ownership or new construction is completed, and in either case, could not be increased by more than one and one-quarter percent.

Referred Law 2

Title: An Act to require the use of safety belt systems in passenger vehicles.

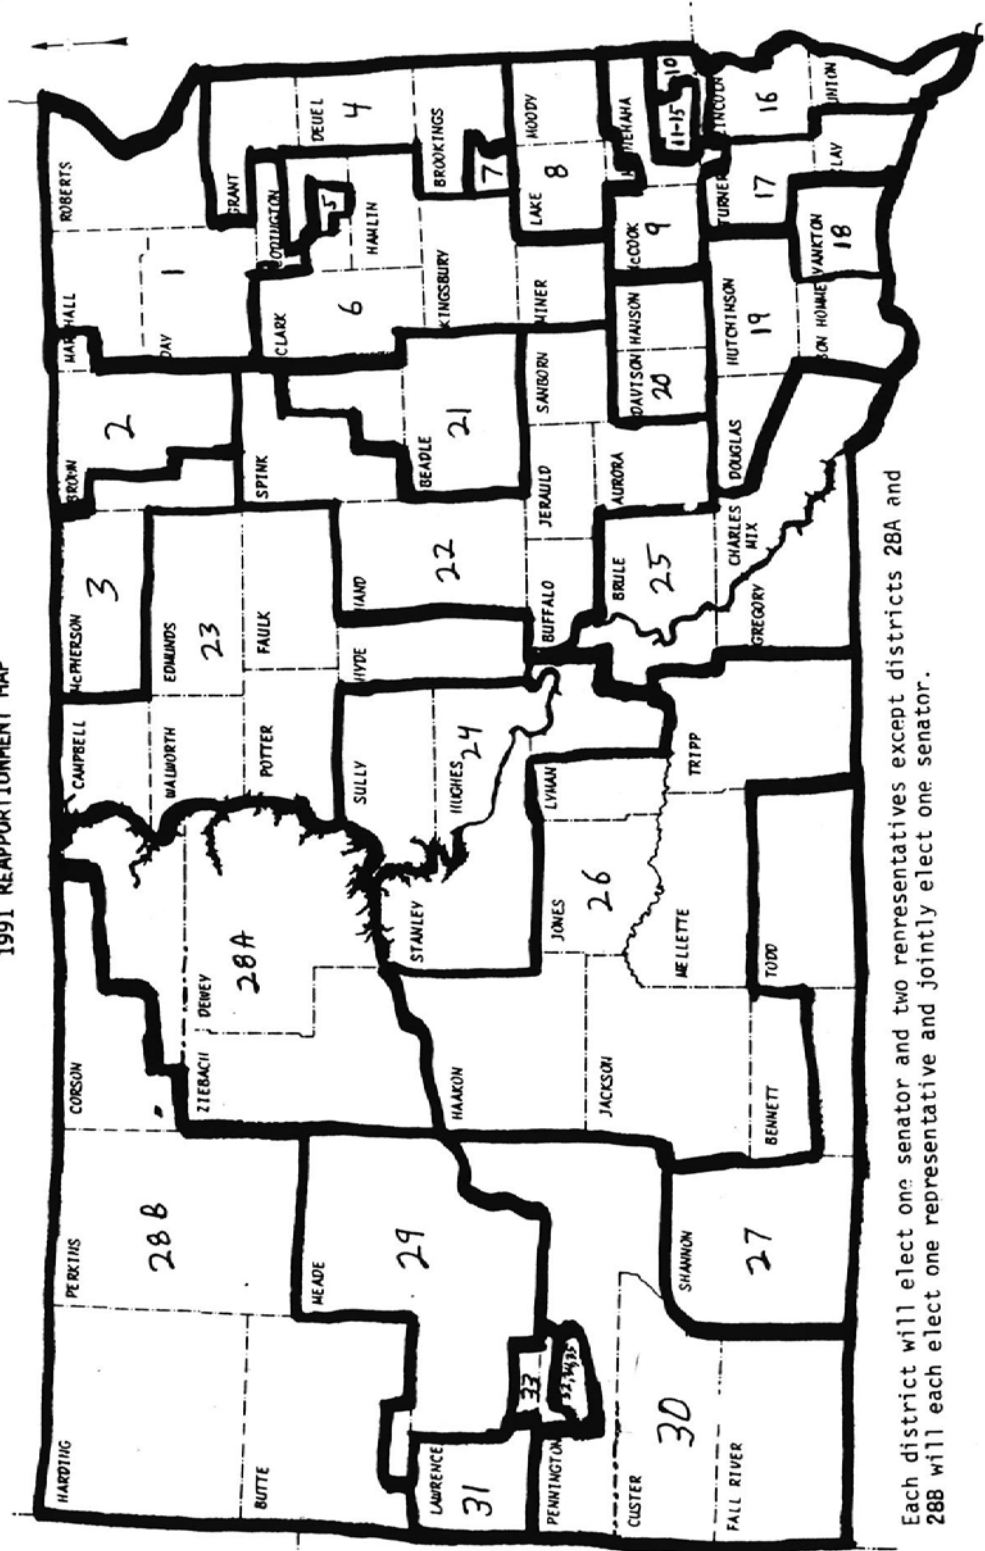

Explanation:

This law would require front seat occupants of cars, vans, motor homes, or trucks, to wear seat belts. Vehicles manufactured before September 1, 1973, motorcycles, buses, farm tractors, and certain other vehicles, are exempted. Drivers must require that front seat passengers under 18 wear seat belts. Current law already requires that children under 5 be in seat belts and children under 2 be in child safety seats.

Violation of this law is a petty offense with a \$20 civil fine. Violators may be ticketed for this offense only if the vehicle is stopped for some other reason.
