(c) A signature line consists of two rows containing six fields each, signature line is separately numbered as per § 5:02:08:00.03;

(d) An eligible signature is a signature line that is filled in partially or completely. If a signature line is empty or crossed out, said signature line is not included as an eligible signature. A signature line containing an abstract mark or markings shall be counted as an eligible signature; and

(e) A random sample signatures are those eligible signatures contained in the random sample generated by the program designated in subdivision (3). The total number of valid signatures submitted is extrapolated from the random sample;

(5) The total number of valid signatures is determined by:

(a) Subtracting the number of invalid random sample signatures from the total number of random sample signatures;

(b) Next, determine the percentage of valid signatures in the random sample signatures by dividing the number of valid signatures by the total number of random sample signatures;

(c) The resulting percentage is multiplied by the total number of eligible signatures submitted; and

(d) The resulting number is the number of valid signatures the secretary of state uses to determine how the petition is certified;

(6) If the number of valid signatures as determined in subdivision (5) is equal to or greater than the required number of signatures needed to file the petition, the secretary of state shall certify the petition as filed;

(7) If the number of valid signatures as determined in subdivision (5) is less than the required number of signatures needed to file the petition, the secretary of state shall certify the petition as not filed; and

(8) The table below identifies how many signatures shall be randomly sampled to meet the state requirements:

(a) If the sample size number is less than the safe harbor sample size number the Secretary of State shall use the safe harbor sample size number; and

(b) If the number of submitted signatures is between two numbers listed in the signatures submitted column, the Secretary of State shall round down to the lower number if the number is 500 or less and shall round up if the number is 501 and higher.
