## **South Dakota Ballot Question Pamphlet Available for Voters**

**(Pierre, S.D.)** – With seven ballot measures on the South Dakota General Election ballot this year, the South Dakota Secretary of State's Office released the official Ballot Question Pamphlet to help voters prepare ahead of Election Day. This pamphlet includes pro and con information on each measure, along with contact details for both the sponsors and opponents of the ballot measures.

This pamphlet is an invaluable tool for voters seeking to make informed decisions. Voters are encouraged to review the pamphlet before heading to the polls and are welcome to bring it with them when casting their vote.

In addition to the pamphlet, voters can also view and print their sample ballots, which may be brought to the polling place to assist during the voting process.

The [Ballot Question Pamphlet](#) is available on the South Dakota Secretary of State's website. Voters may view their sample ballots on the [Voter Information Portal](#).
