### **REMINDER: VOTERS ENCOURAGED TO CHECK THEIR POLLING LOCATION**

**(Pierre, S.D.)** – Secretary of State Monae L. Johnson encourages voters to check their polling location prior to voting in the June 2nd election. The Secretary of State’s website provides guidance on finding your polling location, tracking your absentee ballot application, and viewing your sample ballot at <https://vip.sdsos.gov/VIPLogin.aspx>.

Secretary Johnson reminds voters that they must provide a photo identification (ID) card when voting, which may be any of the following:

- A South Dakota driver’s license or nondriver ID card;
- A U.S. government photo ID (e.g., passport);
- A U.S. Armed Forces ID;
- A current student photo ID from a South Dakota high school or college; or
- A Tribal ID.

If a voter does not have a photo ID, they may be given the option to sign a personal identification affidavit under the penalty of perjury and vote a regular ballot.

“Voting is the most fundamental way to participate in our democracy.” Johnson said. “Your vote is your voice.”

Polls will be open from 7:00 a.m. to 7:00 p.m. local time. More information on voting in South Dakota can be found on the Secretary of State’s website: <https://sdsos.gov/elections-voting/voting/default.aspx> or by contacting your county auditor.
