A letter dated June 19, 2015, was received from Governor Daugaard adopting the prescribed forms developed by the State Auditor’s Office for State Hosting Reimbursement Request and Home Station Per Diem Reimbursement Request.

A letter dated July 16, 2015, was received from the Department of Public Safety (DPS). Jason Bauder stated that additional state employees will be working in Sturgis during the two weeks of this year’s rally. Because of time constraints, traffic and the timing for meetings, the decision was made to provide meals for the employees through a caterer. The pricing is under the state rate. Rather than having each individual submit reimbursement forms, it was asked that permission be given to submit a general reimbursement form for all employees, with an attached spreadsheet listing each of the employees and which meals on what day were eaten. This is a proactive means of simplifying the process. Jason Dilges stated that legally this process can be done and it makes sense to simplify the process and minimize paperwork. It will be necessary for DPS to work hand in hand with the Auditor’s Office to ensure individual reimbursements are not also submitted. Jason Lutz stated his office could work with this process. Jason Dilges moved and Leah Svendsen seconded that DPS submit a general reimbursement form and backup lists justifying each person to the Board of Finance for approval. A roll call vote was taken and the motion carried unanimously.

An email message was received from the South Dakota Retirement System (SDRS) dated July 9, 2015. Jason Dilges stated that the request was very similar to the request from DPS. It was agreed that the request for the South Dakota Investment Council meeting would be held until the August Board meeting. The DPS request will serve as a test for the procedures and will be reviewed in August. A discussion will be held regarding implementation with other agencies.

*Reimbursement amount is calculated based on annual salary amount denoted in above requests.
A discussion was held regarding the format of the Board of Finance agenda and minutes. Teresa Bray asked that the format for state transfers and professional recruitment be limited to the name of the agency, name of the individuals and the total salaries for the agency that are being reviewed. The format for the Reimbursement Requests will be limited to the agency and individual(s) names. The backup detail for all the requests are provided to the Board members to review prior to the meeting. It was agreed that the Secretary of State’s Office would prepare the agenda and minutes in the suggested format for the next meeting and the Board would review it to determine whether the information was sufficient or needed to be changed.

**Adjournment:** Mike Mehlhoff moved and Jason Lutz seconded to adjourn the meeting. The meeting was adjourned at 2:21 p.m.
