

2015 Election School

“Welcome to the Election School!”

“Let me first offer my thanks to you for being a precinct worker. Without you it would be impossible to conduct free and fair elections in our state. Your responsibility is great.

Poll Worker Conduct

Professional - You are conducting the most essential element of our democracy. Work and act accordingly.

On time - Arrive at the polling place at the time provided.

Leave “partisan” leanings at the door - All of us have our favorite candidate or position on a ballot question. That’s OK. When you are an election official, however, none of your personal preferences can show while you are working.

Treat every voter fairly and with respect - Nothing shakes a voter’s confidence in the integrity of the election more than when a precinct worker treats them or their ballot unfairly.

Work as a team - Your work will be more enjoyable and the voters will be better served.

Poll Hours

- All elections: 7:00am to 7:00pm legal time
- Be sure the polling place clock is set to the correct time!
- No earlier than twenty-four hours before the polls open, the person in charge of the election may call a special emergency meeting, pursuant to SDCL 1-25-1 and 1-25-1.1, of the local governing board to postpone any election, except a primary or general election, for one week if the weather conditions put into question the opening of a polling place. The polling place shall then remain open for the same number of hours as it would normally have been open. Absentee voting shall continue pursuant to chapter 12-19. (SDCL 12-2-8)
- Voters waiting in line at 7:00pm are allowed to vote.
- Precinct workers may not leave polling place while polls are open.

POLL HOURS CONTINUED

- Notwithstanding § 12-2-3, the county auditor may, upon request of the superintendent of an election precinct, if an emergency exists by reason of mechanical failure of a voting machine or an unanticipated shortage of ballots or like unforeseen event warrants it, extend the polling hours for that precinct until the emergency situation has been resolved. If the emergency situation is not resolved within two hours, except for a primary or general election, the polling place shall remain closed for one week and reopen at the time of the closure of the polling place.(SDCL 12-2-4)
- Voters waiting in line at 7:00pm are allowed to vote.
- Precinct workers may not leave polling place while polls are open.

Poll Worker Responsibilities

Precinct Superintendent

- In charge of the polling place
- Designates election board duties to each election worker
- Duties would include:
 - Registration list
 - Poll book
 - Stamping ballots
 - Handing out ballots
 - Observing returned ballots for a ballot stamp before they are placed in the ballot box
- If you are using the AutoMARK voter assist terminal, refer to slides 19-22 for the AutoMARK procedures.

Poll Worker Responsibilities

Precinct Deputies

- Perform duties assigned by the superintendent
- Duties may rotate throughout election day if directed by the precinct superintendent
- Precinct worker in charge of the pollbook must be of a different political party than worker in charge of registration list

No Campaigning

- The importance of keeping the polling place free from advertising cannot be stressed enough.
- No campaign advertising, signs, buttons, articles of clothing or any other type of campaigning may be in the polling place or within 100 feet of the entrance to the polling place.
- Periodically view each polling booth (when empty) to make sure that no campaign materials are left there.
- Before the opening of the polls and throughout election day the 100 foot area surrounding the entrance to the polling place must be checked to be sure it is free of campaign materials.
- If any campaign materials are found they should be removed. If some person is campaigning or wearing campaign advertising they must be stopped or asked to exit the area.

- A candidate who is on the ballot in your precinct may only be present long enough to cast their vote.
- If anyone persists with campaign activities within the prohibited area, law enforcement should be called to deal with the situation.

**NO
CAMPAIGNING
BEYOND
THIS POINT**

Poll Watchers

- Poll watchers work for a candidate or campaign to monitor activity at the polling place.
- Election board workers may not be poll watchers.
- Poll watchers must be allowed to be positioned close enough to the election worker's table so that they can see and hear what is going on but not so that they interfere in any way.
- Poll watchers **may** converse with the election board and look at the pollbook if it doesn't interfere with the voting process.
- Poll watchers **may not** campaign in any way within the polling place, touch any election supplies or control the legal actions of the election board!
- Provide each poll watcher with a copy of the *South Dakota Poll Watcher and Observer Guidelines* as shown on the next screen.

South Dakota Secretary of State SHANTEL KREBS

SOUTH DAKOTA POLL WATCHER AND OBSERVER GUIDELINES

South Dakota law allows poll watchers and observers to be present to observe the voting and counting activity at polling places and provides guidelines for poll watchers and observers.
(SDCL 12-18-8.1, 12-18-9, 12-18-9.1)

Any person present at a polling place to observe who does not declare themselves to represent one of the categories below is not a poll watcher but is an observer. ARSD 05.02:12 establishes the number of poll watchers allowed at each polling place for the following elections:

- **Primary***- ONE for each candidate, ONE for each slate of national convention delegates, ONE for each side of any ballot issue
 - **General***- ONE for each party, ONE for each independent candidate, ONE for each slate of presidential electors, ONE for each side of any ballot issue
- *additional poll watchers are allowed if "adequate space" permits*

Those **NOT** allowed as Poll Watchers:

- Election Board Workers
- Candidates on the ballot (*cannot be an Observer either*)

Poll watchers must be positioned in a location where they can plainly see and hear what is done within the polling place but may not interfere in any way (SDCL 12-18-9). Poll watchers and observers may converse with the election board and look at the pollbook only if it doesn't interfere with the voting process.

Within 100 feet of a polling place (*includes absentee voting polling places*), poll watchers and observers **MAY NOT** do any of the following (SDCL 12-18-3, 12-18-9.1, 12-26-21, 12-26-22):

- Campaign or wear buttons or clothing containing campaign information
- Solicit votes for or against any person, political party or ballot question position
- Maintain an "office or public address system"
- Interfere with a voter's free access to the polling place
- Interfere with the officials actions of the election board
- Disrupt the administration of the polling place
- Use any communication or photographic device in any manner which repeatedly distracts, interrupts or intimidates any voter or election worker
- See into voting booths, read identifying numbers on a photo identification cards or interfere with voters in the act of voting or with the official action of the election board
- Disobey a lawful command of any election worker
- Cause a disturbance or breach of peace
- Engage in disorderly conduct such as threatening behavior or making unreasonable noise
- Gather petition signatures
- Use the polling place telephone designated for the election board
- Take any unilateral steps to change any action, inaction or activity occurring at the polling place
- Advocate for or against a voter as the voter interacts with the election board

If a poll watcher or observer has a concern or question about any action occurring in the polling place, that person should bring this concern to the attention of the precinct superintendent. It is then the superintendent's responsibility to respond to that question or concern.

Election Day Procedures

The following pages will show you each of the activities that you will perform throughout election day. We will begin by looking at those things that must be done before the polls open, continue through election day and finish with the counting of the votes and election supply cleanup.

ELECTION MORNING

AUTOMARK TEST

Prior to the opening of the polls, the Precinct Superintendent must test the AutoMARK for proper operation using the following procedure:

1. Use only the test ballots provided by the person in charge of the election which are labeled “**TEST BALLOTS**”. These will be provided in your AutoMARK Election Day Polling Place Kit.
2. Mark at least two “**TEST BALLOTS**” using the AutoMARK by selecting various candidates and ballot questions using the touchscreen, keypad and headphones.
3. When two “**TEST BALLOTS**” print properly, the AutoMARK is ready for use by voters. Store the “**TEST BALLOTS**” with your AutoMARK Election Day Polling Place Kit. DO NOT place the “**TEST BALLOTS**” in the ballot box.
4. If the AutoMARK does not properly mark the ballots, use the troubleshooting section found on page 89 to resolve the problem. If your troubleshooting is unsuccessful, call your County Auditor.
5. You must successfully mark two “**TEST BALLOTS**” before allowing voters to use the AutoMARK™.
6. Even if the AutoMARK test is not successfully completed, open the polls at 7:00 am. Do not allow voters to use the AutoMARK until the test is successfully completed.

3 . Voter's name is not on the registration list

- Ask the voter if they are registered to vote in this precinct. If the answer is “no”, they are not allowed to vote. Have them fill out a new voter registration card so that they will be able to vote in the **next** election.

- If the answer is “yes”, contact the county auditor to verify if the voter's name was mistakenly left off the registration list. The auditor will provide one of three responses:

- There is no record of that person registering in that precinct. The voter will not be allowed to vote a regular ballot but must be given the opportunity to vote a **provisional** ballot. Have the voter fill out a registration card so that they will be able to vote a regular ballot in the **next** election.

- The voter is registered in another precinct in this county. Send the voter to that precinct.
- We made a mistake in preparing the registration list. The voter will be allowed to vote a **regular** ballot. Before voting, the voter and precinct workers **must** complete and sign the *Emergency Voting Card*. ARSD 5:02:05:20

 - The person has been convicted of a felony or declared mentally incompetent since the registration list was prepared; or

■ **Challenging a Voter** *cont'd*

- In school and municipal elections, the person is not a resident of the school district or municipality. Resident is defined as:
 - Live within the school district or municipality at least 30 days within the past year; or
 - Full-time postsecondary student who resided in the school district or municipality immediately prior to leaving for school; or
 - On active duty as a member of the armed forces whose home of record is within the school district or municipality.

- The challenger will present evidence to the precinct election board. The voter would be allowed to offer evidence supporting their right to vote.
- Based on the evidence presented and any personal knowledge the precinct election board will impartially determine if the person is eligible to vote.

Also, at least a week before the election request that the county auditor be available for calls before 8:00am or after 5:00pm while your polls are open.

- Mark the voter's name on the registration list in the manner you have been instructed.
- Announce the voters name (and party if in a primary).
- Write the voter's name in the pollbook.
- If all of the voters in your precinct do not receive the same ballot, mark in the pollbook which ballot the voter is given.

Absentee Ballot Processing

- Process absentee ballots whenever you have time during election day or immediately after the polls close.
- The person in charge of the election will provide you with all of the applications for absentee ballots and all of the returned absentee ballots sealed in their individual envelopes. No absentee ballot may be accepted after the close of the polls.
- Compare the signature on the ballot envelope with the signature on the application.
- In-person voted absentee ballots are in a combined application/envelope with only one signature from the voter. You will have no signatures to compare for these absentee ballots since these were voted in person at the election official's office.

Absentee Ballot Processing *cont'd*

If you are satisfied that:

- The ballots were voted by the voter whose name appears on the ballot envelope; and
- The voter is registered in your precinct (if the voter is registered as “inactive”, a completed voter registration card must accompany the absentee ballot); and
- The application and ballot envelope or the in-person combined application/envelope were signed by the voter; then...
- Mark the registration list and enter the name in the pollbook.
- Remove the ballots from the envelope without unfolding them.

Absentee Ballot Processing *cont'd*

- Place the official ballot stamp on the ballot.
- Place the ballot in the ballot box.
- If an absentee voter dies before election day, the ballot is not processed.
- If you determine that an absentee ballot cannot be counted, the envelope should not be opened and the reason for not counting should be indicated on the envelope.

Closing the polls in optical scan ballot precincts

- If you use hand-counted paper ballots, these instructions are not for you. Skip this slide and the next four slides.
- The poll closing process must be open to the public. No one may be excluded from watching the closing process provided there is no interference with the process.
