

NATIONAL VOTER REGISTRATION ACT & MOTOR VEHICLE AGENCIES

TRAINING FOR VOTER
REGISTRATION AGENCY
STAFF

OVERVIEW OF TRAINING

- Part 1: National Voter Registration Act History/Overview
 - Part 2: Section 5 – Motor Vehicle Agencies
 - Part 3: Voter Registration

PART 1: NATIONAL VOTER REGISTRATION ACT (NVRA) HISTORY/OVERVIEW

NVRA HISTORY/OVERVIEW

- Also known as “NVRA” or the “Motor Voter Act”
- Signed in 1993 by President Clinton
- NVRA is a federal voter registration law intended to:
 - Provide increased opportunities for eligible citizens to register to vote
 - Increase voter participation
 - Ensure voter registries are accurate and up-to-date

NVRA HISTORY/OVERVIEW

- NVRA Section 5 – Motor Vehicle Agencies – requires that applications for a driver’s license or non-driver ID card (including renewal and change of address requests) serve as voter registration applications except for applicants who affirmatively decline to register to vote.
- In South Dakota, DPS has a designated NVRA coordinator to coordinate compliance with section 5 by all driver’s license offices, including DPS offices and travel offices, as well as driver’s license issue sites operated by county or local governments.

NVRA HISTORY/OVERVIEW

- Voter registration services must be provided in a non-partisan manner that does not improperly influence applicants. While offering voter registration services, employees **MUST NOT**:
 - Attempt to persuade an applicant to join or not join a particular political party
 - Display any political preference or party allegiance
 - Say or do anything that would, or might, discourage an applicant from registering to vote
 - Say or do anything that would, or might, lead an applicant to believe that registering or not registering to vote will affect their ability to receive services or benefits

PART 2: SECTION 5 – MOTOR VEHICLE AGENCIES

SECTION 5 – MOTOR VEHICLE AGENCIES

- Every South Dakota Driver's License/ID Card Application (including for new licenses/ID cards, renewal applications, and change of address requests) submitted to a driver's licensing office in the State (including DPS offices, travel offices, and non-DPS issue sites), must serve as a simultaneous voter registration application unless the applicant fails to sign the application or declines to register to vote on the form. This application for voter registration must be considered as updating any previous voter registration by the applicant unless the applicant declines to update their registration on the form.
- Employees of travel offices and issue sites would follow the same procedures.

SECTION 5 – MOTOR VEHICLE AGENCIES

- Section 5 of the NVRA requires that any change of address submitted for State driver's license purposes must also serve as a notification of change of address for voter registration purposes unless the registrant states on the form that the change of address is not for voter registration purposes.
- This means that all changes of address submitted to State motor vehicle offices using the South Dakota Driver License/State I.D. Card Application must be transmitted to the appropriate county election authorities unless the registrant affirmatively requests otherwise by checking the opt-out box on the form.

SECTION 5 – MOTOR VEHICLE AGENCIES

- Section 5 requirements apply to all license and state I.D. applications submitted to driver's license offices in South Dakota, including DPS offices, travel offices, and non-DPS issue sites.
- The NVRA defines the term “motor vehicle driver’s license” to include “any personal identification document issued by a State motor vehicle authority”, so the law’s requirements apply to all applications, renewals, and change of address transactions regarding any personal identification document issued by the State.

SECTION 5 – MOTOR VEHICLE AGENCIES

- Each State must include a voter registration form as part of an application for a State driver's license and any application for driver's license renewal.
- The voter registration portion of the application may not require any information that duplicates information required on the driver's license portion of the application and may require only the minimum amount of information necessary to prevent duplicate voter registrations and permit State officials both to determine the eligibility of the applicant to vote and to administer the voting process.

SECTION 5 – TIMEFRAME FOR SENDING APPLICATIONS

- DPS will ensure that, upon receipt of all completed Driver's License Application forms (including renewal and change of address requests) and Voter Registration Applications, all Driver's License Offices (including Travel Offices and Issue Sites) will immediately date and time-stamp the form
- Once the voter registration application is completed, they must be transmitted to the appropriate State election official no later than ten days after acceptance.
- If an application is accepted at a motor vehicle agency within five days of a voter registration deadline for an election, the application must be transmitted to election officials no later than five days after acceptance. The agency providing voter-registration services may not require a registrant to mail in the form himself or herself or discourage him or her in any manner from submitting the form to the agency.

SECTION 5 – TIMEFRAMES CONTINUED

- If it is the agency practice to make sure that agency forms are completed and signed when submitted by an applicant, the same practice should apply to a voter registration application submitted by that applicant.
- Consistent with South Dakota Codified Law 12-4-6.1, the operative voter registration date on a Voter Registration Application submitted to an Agency within five days following any voter registration deadline is the date the individual signed and dated the application, not the date the agency mailed it, the postmark date of the transmission, or the date received by the county auditor.

SECTION 5 – MOTOR VEHICLE AGENCIES

Ensure Accuracy When Entering Voting Information

- Voters are assigned jurisdictions based on their voting information (location).
- Every voter has two or more of the following jurisdictions:
 - State House
 - State Senate
 - Municipal
 - School District
- Additional jurisdictions may include:
 - Ambulance District
 - County Commissioner District
 - Municipal Ward
 - School District
 - Other special districts (road, fire, conservation, sanitary, and more)
- Each of the districts listed above have elections.

SECTION 5 – MOTOR VEHICLE AGENCIES

- Entering voter information incorrectly can cause an individual to be linked to an incorrect jurisdiction, which can result in a voter not being registered to vote, encountering difficulties when voting, or being denied the ability to vote during an election.
- County Auditors receive voter registration information from most DPS offices through an electronic data feed on the TotalVote portal.
- The data entered by Driver's Licensing personnel is what the county auditor receives.
- The county auditor may not catch a mistake if you enter the information incorrectly.
- Some driver's license offices, including non-DPS issue sites, do not have access to the TotalVote electronic data feed and must transmit hard copy applications to the appropriate county auditor.

SECTION 5 – MOTOR VEHICLE AGENCIES

Potential Inaccuracies

- Wrong spelling of name
- Last name entered in as first name, first name entered in as middle name, or middle name entered in as last name
- Political party entered incorrectly
 - *If blank, confirm if that is applicant's intention*
- County name entered incorrectly
- Date of Birth entered incorrectly
- Ensure the apartment number isn't left off
- Wrong zip code entered
- Residential address update but not the mailing addresses.

SECTION 5 – MOTOR VEHICLE AGENCIES

Example Scenario

- John Smith registered to vote at his local driver's license exam station prior to the voter registration deadline.
- He lives at 123 Main Street in Pierre, SD, but the agency personnel entering his voter registration information inadvertently enters it as 1123 Main Street.
- 123 Main Street is assigned to the Ward 1 jurisdiction.
- 1123 Main Street is assigned to the Ward 2 jurisdiction.
- Ward 1 is having an election and John Smith shows up at the polling location to vote. He is not on the voter registration list because he is linked to Ward 2.

SECTION 5 – MOTOR VEHICLE AGENCIES

Example Scenario

- In order to remediate the example on the previous slide, the following steps would need to occur to ensure the voter was allowed to cast their ballot during the election:
 - Poll worker contacts county auditor
 - County auditor contacts the Secretary of State's (SOS) office
 - SOS office contacts the Department of Public Safety (Driver's Licensing) to retrieve the individual's application
 - SOS office receives copy of original application and contacts the county auditor
 - County auditor contacts poll worker
 - Person is allowed to vote if County Auditor verifies eligibility based on voting information from original application
