RECEIVED

S.D. SEC. OF STATE

Title: An initiated measure establishing a cap on the price a State agency may pay for a prescription drug.

Attorney General Explanation:

This measure limits the amount that a State agency may pay for a prescription drug. Under the measure, a State agency may not directly or indirectly pay more for a prescription drug than the U.S. Department of Veterans Affairs pays for that same drug.

The measure requires the State Bureau of Administration to enact rules establishing prescription drug prices payable by State agencies.
