NUMBER OF SIGNERS REQUIRED FOR 2020 PETITIONS

The required amount of signatures is based off of the last gubernatorial election. For a partisan candidate, you must obtain 1% of the total vote for your political party's candidate for governor at the last gubernatorial election or a maximum of 50, whichever is less, in the county or commissioner district ([SDCL 12-6-7.1](#)). An independent candidate must obtain 1% of the total vote for all candidates for governor at the last gubernatorial election in the county or commissioner district ([SDCL 12-7-1](#)).

Candidates must obtain signatures from the political party they are registered to vote with; however, independent candidates may gather signatures from any registered voter.

PLEASE NOTE that if your County Commissioners are elected at large vs. by commissioner district the signature counts may vary and if your county is a Vote Center county that will have an impact on your signature count as well. Contact the County Auditor or County Finance Officer for additional information. On the Secretary of State's office website is a chart explaining signature requirements for County offices: <https://sdsos.gov/elections-voting/assets/2020CountyOfficesSignatureRequirements.pdf>

A candidate may purchase a voter registration list from the county auditor or county finance officer. The county auditor is required under law to charge for the voter list. ([ARSD 05:04:06:07](#))

FINANCIAL INTEREST STATEMENTS

A county commissioner candidate must file a *Statement of Financial Interest – Candidate* with the County Auditor **within 15 days after filing** nominating petitions. ([SDCL 12-25-30](#))

A county commissioner candidate elected must file a *Statement of Financial Interest – Elected Official* with the County Auditor **within 15 days of taking the oath of office**. Financial Interest Statements forms may be found on the Secretary of State's website at sdsos.gov.

CAMPAIGN FINANCE

(SDCL 12-27-39)

Campaign Finance is required in **Counties with a population greater than 10,000** according to the most recent Federal census or in a county that has adopted ordinance(s) or resolution(s) outlining campaign finance requirements. Refer to the Secretary of State's website for Campaign Finance information for local jurisdictions.

If your county has a population over 10,000, then county candidates are required to submit campaign finance reports to the County Auditor or County Finance Officer by 5:00 p.m. local time.

Important Campaign Finance Deadline Dates for Counties:

- January 31, 2020: 2019 year-end report is due

Campaign Signs

Campaign signs are regulated by ordinance in some municipalities. The municipal ordinance will regulate political campaign signs within the city limits. The ordinance may specify any of the following:

- 1) When political campaign signs can be posted and when the signs must be taken down.
- 2) The size of the political campaign signs.
- 3) Where political campaign signs can or cannot be posted.

No campaigning can be done within 100 feet of a polling place (this includes the court house during absentee voting and absentee voting satellite locations).

12-18-3. Electioneering, offices, distracting communications devices, and signature gathering prohibited near polling place--Violation as misdemeanor. Except for sample ballots and materials and supplies necessary for the conduct of the election, **no person may, in any polling place or within or on any building in which a polling place is located or within one hundred feet from any entrance leading into a polling place**, maintain a campaign office or public address system, or use any communication or photographic device in a manner which repeatedly distracts, interrupts, or intimidates any voter or election worker, or display campaign posters, signs, or other campaign materials or by any like means solicit any votes for or against any person or political party or position on a question submitted or which may be submitted. No person may engage in any practice which interferes with the voter's free access to the polls or disrupts the administration of the polling place, or conduct any petition signature gathering, on the day of an election, within one hundred feet of a polling place. For the purposes of this section, the term, polling place, means a designated place voters may go to vote on the day of the election or go to vote absentee. A violation of this section is a Class 2 misdemeanor.

The county may also have an ordinance that regulates political campaign signs outside of the city limits.

The South Dakota Department of Transportation regulates the use of right-of-ways. The use of right-of-ways is reserved for highway signage. Any sign in the right-of-way that is not required for traffic control as authorized by law is prohibited and will be removed. This includes both candidate and ballot issue signs.

For more information regarding right-of-ways, please contact the Department of Transportation at 605-773-5103.
