Dear Secretary Barnett,

The Legislative Research Council received an **initiated measure to expand Medicaid eligibility to** any person over age 18 and under age 65 based on eligibility requirements and income methodology set in federal law. The initiated measure requires a fiscal note because it was determined that it may have an impact on revenues, expenditures, or fiscal liability of the state or its agencies and subdivisions. SDCL 2-9-30 requires the fiscal note be no longer than fifty words. The fiscal note examines the fiscal impacts associated with the state providing Medicaid benefits to eligible individuals.

Enclosed is a copy of the initiated measure, in final form, that was submitted to this office. In accordance with SDCL 2-9-31, I hereby submit the Legislative Research Council's fiscal note with respect to this initiated measure.

Sincerely,

AN INITIATED MEASURE EXPANDING MEDICAID ELIGIBILITY.

Based on eligibility requirements and income methodology set in federal law as of September 2020, the proposed expansion of Medicaid benefits could result in an additional 42,500 eligible individuals. BE IT ENACTED BY THE PEOPLE OF SOUTH DAKOTA:

Section 1. That chapter 28-6 be amended by adding a NEW SECTION to read:

28-6-1.2 The state shall provide Medicaid benefits to any person over age 18 and under age 65 whose income is 133% of the federal poverty level or less, using the income methodology of the Medicaid statute at 42 U.S.C. §1396a(a)(10)(A)(i)(VIII) and who meets other nonfinancial eligibility requirements of the federal Medicaid statute. The Department of Social Services shall promulgate rules pursuant to chapter 1-26 to authorize low-income persons as an eligible population for Medicaid services in this state and any other necessary rule as authorized by §28-6-1 to implement this section.
