## INITIATED CONSTITUTIONAL AMENDMENT PETITION JUN 23 2021

WE, THE UNDERSIGNED qualified voters of the state of South Dakota, petition that the following section are sections and article or articles of the South Dakota Constitution be amended and that this proposal be submitted to the voters of the state of South Dakota at the general election on November 8, 2022 for their approval or rejection.

Title: An initiated amendment to the South Dakota Constitution expanding Medicaid eligibility. Attorney General Explanation: Medicaid is a program, funded by the State and the federal government, to provide medical coverage for low-income people who are in certain designated categories. This constitutional amendment expands Medicaid eligibility in South Dakota. It requires the State to provide Medicaid benefits to any person over age 18 and under 65 whose income is at or below 133% of the federal poverty level, plus 5% of the federal poverty level for the applicable family size, as provided in federal law. For people who qualify under this amendment, the State may not impose burdens or restrictions that are greater than those imposed on any other person eligible for Medicaid benefits under South Dakota law.

The South Dakota Department of Social Services must submit to the federal government all documentation required to implement this amendment, and must take all actions necessary to maximize federal funding for this expansion.

## That Article XXI of the Constitution of South Dakota be amended by adding a NEW SECTION to read:

§10 Beginning July 1, 2023, the State of South Dakota shall provide Medicaid benefits to any person over eighteen and under sixty-five whose income is at or below one hundred thirty-three percent of the federal poverty level plus five percent of the federal poverty level for the applicable family size, as authorized by federal law as of January 1, 2021. Such person shall receive coverage that meets or exceeds the benchmark or benchmark-equivalent coverage requirements, as such terms are defined by federal law as of January 1, 2021.

The State of South Dakota may not impose greater or additional burdens or restrictions on eligibility or enrollment standards, methodologies, or practices on any person eligible under this section than on any person otherwise eligible for Medicaid under South Dakota law.

No later than March 1, 2023, the Department of Social Services shall submit all state plan amendments necessary to implement this section to the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services.

The State of South Dakota shall take all actions necessary to maximize the federal financial medical assistance percentage in funding medical assistance pursuant to this section.

This section shall be broadly construed to accomplish its purposes and intents. If any provision in this section or the application thereof to any person or circumstance is held invalid or unconstitutional, such invalidity or unconstitutionality shall not affect other provisions or applications of the section that can be given effect without the invalid or unconstitutional provision or application, and to this end the provisions of this section are severable.
