Signature Required

Date: / / Year

Month / Day / Year

Auditor use only. Agency code: 2019
Voter Registration Process *cont’d*

- The voter’s registration date is the date the County Auditor *receives* the application, NOT the date the voter signs the application.

- **Business Managers**: if a voter comes in to register to vote on the deadline day for voter registration, you may want to suggest they take their application directly to the County Auditor. Since your office IS NOT an official registration site you aren’t required to deliver that application by 5:00 pm on the deadline day in order for that voter to vote at the upcoming election.

- **Finance Officers**: if a voter comes in to register on the deadline day you are able to mail or deliver the application after the deadline has passed and the voter would still be registered in time to vote in the upcoming election (*SDCL 12-4-5*)

- Please place a received date stamp on all voter registration forms (extremely important).
Voter Registration Process cont’d

- The voter registration information is entered, by the County Auditor, into the statewide voter file system.
- The voter file goes through nightly checks:
  - **UJS** - felony check, mental competency
  - **Vital Records** - death records
  - **Social Security Administration** - valid social security number
  - **Drivers Licensing** - valid drivers license/non driver ID
- If a voter is flagged regarding any of these checks the county auditor is notified and will review and proceed according to state law.
- The voter file, every odd year, goes through a Federally required *list maintenance* process that cleans up the voter file. This is done by the County Auditors.
FYI - Active vs. Inactive Voters

- **Active voter**: any voter who has voted or updated his/her voter registration information in the last four years.

- **Inactive voter**: Any voter who has not voted or updated his/her voter registration information in the last four years.

- Active and Inactive voters may sign petitions.

- Inactive voters may vote but are required to fill out a new voter registration form prior to voting.

- When Auditor’s **calculate the number of signatures** required for a petition, they only calculate that against **active voters**.

- When the person in charge of the election **calculates voter turnout** for the election, they only calculate that against **active voters**.

SDCL 12-4-34. Registered voters referred to in other statutes. If a statute refers to registered voters, it does not include those in the inactive registration file unless specifically included. However, any voter in the inactive registration file may sign a petition.
