The following is a brief description of the proceedings of this recount board:
Zeroed machine, test batch, matched test batch, zeroed, verified ballots by precinct, counted up machine by precinct. Two votes did not run through machine, but were properly marked and included in recount total. One previously marked "undervote" was clearly marked for candidate and added to their tally - that precinct was ran 2x through machine + handcounted 1x and all totals tally matched. Fred is +1 vote from election night.
