SECRETARY OF STATE

ATTORNEY GENERAL
2016 BALLOT EXPLANATION
CONSTITUTIONAL AMENDMENT R

RECEIVED
APR 25 2016
S.D. SEC. OF STATE

Title: An Amendment to the South Dakota Constitution regarding postsecondary technical education institutes.

Explanation:

Under the South Dakota Constitution, the Board of Regents is responsible for postsecondary educational institutions funded entirely or in part by the State. Constitutional Amendment R applies to postsecondary technical education institutes that receive state funding and offer career and technical associate of applied science degrees, certificates, or their equivalents. Currently, there are four such institutes: Lake Area Technical Institute, Mitchell Technical Institute, Southeast Technical Institute, and Western Dakota Technical Institute. Under the amendment, postsecondary technical institutes will be governed separately in a manner to be determined by the Legislature.

The amendment also clarifies that the Board of Regents retains control over state-funded postsecondary educational institutions offering associate of arts, associate of sciences, bachelor's, and postgraduate degrees.

A vote "Yes" is for adding a provision to the Constitution regarding postsecondary technical educational institutes.

A vote "No" will leave the Constitution as it is.
