Dear Secretary Nelson:

As you are probably aware, in addition to serving in the U.S. Congress as a Republican member from the 14th District of Texas, I am also a Republican candidate for President of the United States. As such, please allow me this opportunity to notify you that I should like to be placed on the Republican Presidential Primary ballot in South Dakota for the 2008 primary election.

My understanding from conversations with your staff is that this letter to you along with a list of delegates is sufficient to see that my name is placed on the Republican primary ballot in South Dakota. In the event that you need any other submission(s) from me, please notify me immediately so I may comply in a timely manner.

Thank you in advance for your help with this matter.

Sincerely,

Ron Paul
