PETITIONS ARE DUE NO LATER THAN
JUNE 28, 2021 BY 5:00 PM (CT)
(90 days of adjournment sine die of the 2021 legislative session)

Signatures required: 16,961 valid signatures

STEP 1: The items below must be submitted to the Secretary of State’s office (SOS) for approval BEFORE circulation may begin. The timeframe for SOS approval depends on how many edits the sponsor must make. Signatures obtained before SOS approval shall not be counted.

- An original, hardcopy of the petition form (ARSD 05:02:08:08), with the title of the referred law and the effective date and the date of the general election. The petition must be in the exact format as prescribed in Administrative Rule. Any deviation from this will result in the sponsor having to make corrections and resubmit another original, hardcopy petition form to the SOS.
- A copy (electronic format is acceptable) of the prison/jail population cost estimate and/or fiscal note (if one was written during the Legislative Session) (SDCL 2-1-3.1 and 2-9-32). Contact LRC for a copy.
  o 2-9-32. Fiscal note for referred law. If any referred law had a fiscal note prepared by the director of the Legislative Research Council prior to passage of the law, the sponsor shall obtain the fiscal note from the Legislative Research Council website and attach the fiscal note to the petition filed pursuant to § 2-1-3.1. If the fiscal note exceeds fifty words, the sponsor shall request from the director of the Legislative Research Council a summary of the fiscal note that does not exceed fifty words and attach the fiscal note summary in lieu of the fiscal note to the petition filed pursuant to § 2-1-3.1. The director shall file the fiscal note summary with the sponsor within five days of receipt of the sponsor's request.
- **A campaign finance statement of organization**, if one has not been filed already. File online, via mail or submit electronically (fax or email). [https://sdcfr.sdsos.gov/](https://sdcfr.sdsos.gov/) (SDCL 12-27-6)

- **An original, hardcopy of a notarized form** (ARSD 05:02:08:07.02) that includes the names and addresses of the petition sponsor(s) (SDCL 2-1-3.1).

- **The circulator handout (CH).** This is a form that shall be given to each petition signer. It **MUST** contain:
  - The title of the referred law.
  - A fiscal note (if applicable).
  - The name, phone number, and email address of each petition SPONSOR.
  - A statement whether the petition circulator is a volunteer or paid petition circulator and, if a paid circulator, the amount the circulator is being paid.

The circulator handout may be submitted electronically (fax or email). If the sponsor(s) are going to provide a handout to petition signers in a format other than on a regular 8.5x11 sheet of paper, the SOS will need to have a hard copy before circulation may begin.

**STEP 2:** After receiving SOS approval, the sponsor may circulate the petition for signatures.

**Sponsors** do not forget that all **PAID circulators** must fill out and submit the paid circulator registration application and obtain a Circulator Identification Number **BEFORE** they begin circulating any petitions. The **Paid Circulator Badge System** will be available online and will allow a circulator to submit this registration application electronically through that system. Paper applications will also be available upon request.

*Unpaid/Volunteer circulators **DO NOT** have to register or receive a circulator ID number from the SOS. These circulators may begin collecting signatures as soon as the sponsor has met all of the requirements in Step 3 and authorizes the circulator to begin.

**Sponsors** you are also required, per SDCL 2-1-1.5, to provide a list of any paid circulators for your ballot measure and their rate of pay to the SOS.

**STEP 3:** A **completed petition** for a referred law (a minimum of 16,961* valid signatures) must be submitted to the SOS’s office within 90 days of adjournment *sine die* of the legislative session in which the law was passed (SDCL 2-1-3 & 5 and 2-1-3.1).

*the number of signatures required is based off the number of votes cast for Governor at the Nov. 6, 2018 General Election. (SDCL 2-1-5)

**STEP 3A:** All petitions shall be submitted to the SOS **simultaneously** with a sworn affidavit(s) signed by two-thirds of the sponsors (ARSD 05:02:08:07.01).

The SOS will begin the petition validation process immediately in order to meet the effective date of July 1 for new law. If you anticipate filing petitions, we would appreciate advance notice in order for us to plan adequate staffing. Thank you.

**MISCELLANEOUS SPONSOR INFORMATION**

- If citizens Vote “NO” to reject the Act of the Legislature, the Act will not become law.

- If the citizens Vote “YES” to allow the Act of the Legislature to become law, it will go into effect on July 1, 2022 after the statewide canvass unless specified differently within the language of the measure. (SDCL 2-1-12)
• When will a signature line be considered or not considered for the random sample?
  o The circulator or sponsor must draw a line completely through all six boxes, marking off completely ALL text, and then the signature line would not be considered for the random sample.
  o Writing “void” doesn’t invalidate a signature line (see bullet above).
  o Any sort of mark on a signature line would be considered for the random sample.
  o If only a portion of the text on a signature line is crossed off that signature line would still be considered for the random sample.

**INFORMATION FOR CIRCULATING**

1. A petition circulator is a person of at least eighteen years of age and a resident of the state of South Dakota. No registered sex offender may circulate a petition except if the sex offender is in the employ of, and under immediate supervision of, another person and where the circumstances preclude any contact with children (SDCL 12-1-32 through 12-1-34).
2. The petition circulator must personally witness each signature on the petition being circulated. The petition's verification must be completed following circulation and must include the circulator's printed name, residence address, city, state, complete date and be signed under oath before a South Dakota notary public or other officer authorized to administer oaths.
3. Each petition signer must be a registered voter in the state of South Dakota in the jurisdiction for which the petition is circulated (SDCL 12-6-8). This website is available for circulators to verify voter registration: [https://vip.sdsos.gov/viplogin.aspx](https://vip.sdsos.gov/viplogin.aspx)
4. Signers must sign their names as they are registered to vote or as they usually sign their names.
5. The signer's printed name must also appear.
6. Each signature line must show a complete residence address. This can be the street and house number or rural route and box number (only residents of a second or third-class municipality may use a PO Box, which are those municipalities with less than 5,000 populations) in addition to the city or town. Zip codes are optional. A signer in a first-class municipality may not use a PO Box. This would include the following which are first class municipalities: *Aberdeen, Belle Fourche, Box Elder, Brandon, Brookings, Harrisburg, Huron, Madison, Mitchell, Pierre, Rapid City, Sioux Falls, Spearfish, Sturgis, Vermillion, Watertown and Yankton.*
If the signer does not have a residence address or post office box number, a description of the residence location must be provided.
7. Each signature line must show the month and day it was signed.
8. Numbers to designate the month are permissible. Abbreviations commonly used are also acceptable.
9. The county of the signer’s voter registration must be included.
10. All six boxes of a signature line must be completed. If all the information for those six boxes is included but a signer wrote the information in the wrong box, that is acceptable. Example: A signer prints his/her name in the signature box and signs his/her name in the printed box.
11. The date, address, county of registration, and printed name may be added by the circulator prior to the petition being filed. Ditto marks may **not** be used.
12. Each petition sheet must be a self-contained sheet with the heading, instructions to signers, signature lines and circulator’s verification on a single sheet. Stapled, taped or glued together petitions sheets will not be accepted.

13. Circulators for statewide ballot measures cannot be employed, rewarded or compensated based on the number of registered voters who signed the petitions. This does not prohibit any person from employing a circulator based on one of the following practices: Paying an hourly wage or salary; establishing either express or implied minimum signature requirements for the petition circulator; terminating the petition circulator’s employment, if the petition circulator fails to meet certain productivity requirements; and paying discretionary bonuses based on reliability, longevity, and productivity. (SDCL 12-13-28)

14. Circulators for statewide ballot measures must make a reasonable inquiry of each signer to determine that each signer is a qualified voter of the state and county indicated on the signature line.

15. Circulators for statewide ballot measures must state under oath that no statute regarding petition circulation was knowingly violated. The verification shall be witnessed by a notary public commissioned in South Dakota or other officer authorized to administer oaths per SDCL 18-3-1.

16. State law prohibits a person from conducting petition signature gathering within 100 feet of a polling place (SDCL 12-18-3).

17. The petition circulator shall provide to each person who signs the petition a form (to be approved by the SOS prior to circulation) containing the title and explanation of the measure or amendment as prepared by the Attorney General. Also, the name, phone number, email address of each petition sponsor and a statement whether the petition circulator is a volunteer or paid petition circulator and, if a paid circulator, the amount the circulator is being paid. (SDCL 2-1-1.1, 2-1-1.2 & 2-1-3.1)

18. No signatures, for an initiated measure, may be obtained more than 24 months preceding the Nov. 3, 2020 General Election (SDCL 2-1-1.1).

19. The NOTARY PUBLIC MAY NOT be the CIRCULATOR and the NOTARY. If this occurs, that would invalidate the entire petition sheet. (SDCL 18-1-12.2)

20. The NOTARY PUBLIC MAY NOT be a SIGNER on the PETITION they NOTARIZE. If this occurs, that signature line would be invalid. (SDCL 18-1-12.2)
