WHAT TO ASK FOR FROM YOUR COUNTY AUDITOR

- Make sure your county auditor knows you are having an election and whether you want your auditor to be available until the polls close on election day.
 - You will want to request this as early as you can, don't wait until the day before the election to request this.
 - SDCL 7-7-2. Hours of operation for county offices established by board of county commissioners-- Exceptions. The county auditor's office shall remain open, **if requested** by the person in charge of a school or municipal election, until the closing of the polls and the tabulation of votes for that election.

WHAT TO ASK FOR FROM YOUR COUNTY AUDITOR

- Work with the auditor to get the voter registration list(s) for each precinct you have.
 - Let the auditor know when you want the list by. Typically you would want this within a few days prior to the election.
 - Schools: when requesting your list make sure you are requesting all the voters in your district across **all the counties** your district covers.

AS THE PERSON IN CHARGE OF THE ELECTION, WHAT DO YOU DO ON ELECTION DAY?

- Make sure your election boards know how to set up the polling place(s) and that they will be ready to open by 7:00 am.
 - Some of you might set up the voting booths prior to election day to assist your election boards and that is ok.
- Be available for questions from your election board **all day**.
 - This means you have to remain at work until all polling places are closed, ballots are counted and delivered back to you after 7:00 pm.
 - You do not stay at the polling place at all during the day.
 - You could be present after 7:00 pm for the counting of the ballots. You cannot interfere in the process of counting.

AS THE PERSON IN CHARGE OF THE ELECTION, WHAT DO YOU DO ON ELECTION DAY?

- Remember that absentee ballots may still be returned to you on election day and that voters may still request an absentee ballot up to 3:00 pm election day if they are using an authorized messenger. *This is why you need to be in your office.*
 - If you receive absentee ballots on election day, in order for them to be counted, you have to be able get the ballots to the voter's polling place or absentee precinct board (if you use one) by 7:00 pm.
 - If a ballot is delivered to your office at 6:58 pm chances are you will not be able to get that ballot to the voter's polling place prior to the polls closing.
- Once you have the results from ALL of your polling places, you may share those.
- Make sure to say that they are the “**unofficial results.**” The “official results” will be determined at the canvass.

BALLOT COUNTING, CANVASSING AND RECOUNTING

Provisional Ballot Counting
Duties of Canvassers
Recount Process

PROVISIONAL BALLOTS

- Provisional ballots **ARE NOT OPENED** or counted on election night.
- It doesn't matter if you use hand counted paper ballots or optical scan ballots, all the provisional ballot envelopes must be placed **UNOPENED** in the Provisional and Uncounted Absentee Ballot Return Envelope (ARSD 5:02:16:44) and returned to you. **Keep them secure!**
- The day after the election you must “diligently investigate” to determine if the voter was legally entitled to cast a ballot in that precinct.
- Use the information provided by the voter on the affirmation (on the envelope) to begin your investigation. Ask the county auditor to assist you with this determination.

PROVISIONAL BALLOT ENVELOPE

You will use the information provided by the voter to assist you in determining if the provisional ballot will be counted or not.
