

## INITIATIVE PETITION

WE, THE UNDERSIGNED qualified voters of the state of South Dakota, petition that the following proposed law be submitted to the voters of the state of South Dakota at the general election on November 5, 2024 for their approval or rejection pursuant to the Constitution of the State of South Dakota. Filed this 25<sup>th</sup> day of April 2023

**Title:** An Initiated Measure Prohibiting Taxes on Anything Sold for Human Consumption.

### Attorney General Explanation:

*Monae L. Johnson*

Currently, the State collects tax on the sale or use of certain goods, including foods and drinks. Many municipalities also collect these taxes.

SECRETARY OF STATE

This initiated measure prohibits the State from collecting sales or use tax on anything sold for human consumption. The measure eliminates these sources of revenue for the State.

Human consumption is not defined by state law. However, its common definition includes more than foods and drinks.

The measure does not prohibit the collection of sales or use tax on alcoholic beverages or prepared food. Prepared food is defined by law to include food that is sold heated or with utensils.

The measure may affect the State's obligations under the tobacco master settlement agreement and the streamlined sales tax agreement. The master settlement agreement resulted from multi-state lawsuits against cigarette manufacturers for the public health effects of smoking. South Dakota's annual share of the master settlement agreement is approximately \$20 million. The streamlined sales tax agreement is a multistate program designed to simplify the collection of sales and use tax for companies selling in multiple jurisdictions.

Judicial or legislative clarification of the measure will be necessary.

**BE IT ENACTED BY THE PEOPLE OF SOUTH DAKOTA:** *That Title 10 be amended by adding a NEW SECTION to read:*

**Notwithstanding any other provision of law, the state may not tax the sale of anything sold for human consumption, except alcoholic beverages and prepared food. Municipalities may continue to impose such taxes.**
